Milwaukee WI 53213

Thanks to the generous support of so many people, "Pewaukee's Got Talent" was a rousing success last weekend. It's was Pewaukee High School's Friends of Fine Arts biggest fund raiser ever. And you are one of the reasons the event was such a success. So, please accept our sincere thanks, on behalf of all the Fine Arts students in the Pewaukee School District, for your kind contribution.

Over 300 people attended the event and were treated to twenty varied performances in the auditorium by students, teachers and community members. Additional performances by students and community members were provided during the intermissions while attendees enjoyed the artwork of Pewaukee's students, browsed the silent auction and enjoyed treats from some local restaurants.

This was truly an evening showcasing the talent of Pewaukee.

Your support helped us raised over \$9,000. We have earmarked \$2,000 for scholarships to 2009 graduates majoring in the Fine Arts in college. We will also be purchasing musical instruments for the band, and supporting the drama club's entry into acting competitions to further develop their skills. Other items under consideration include robes for the choir, storage for band instruments, props and supplies for the drama program and assistance wherever possible for our aging auditorium.

Thank you again. The students and Fine Arts program will truly benefit from your generous support.

Sincerely,

Lisa Sweeney
FOFA Treasurer and Event Chairman

*Thanks for the extra picture
for my son He LOVED it!
